**SECRETARY’S ORDER UNDER SDCL 45-9-74**

A Petition (“Petition”) of Luff Exploration Company (“Luff”) was submitted to the South Dakota Board of Minerals and Environment (“Board”) on March 25, 2014. The Board prepared and published a Notice of Opportunity for Hearing (“Notice”) and Luff caused a copy of the Petition and the Notice to be served by mail or personally on each party affected by the petition. No petitions to intervene were filed in accordance with the Notice. Therefore, pursuant to South Dakota Codified Laws (SDCL) 45-9-74, SDCL 45-9-20 through 29, and Administrative Rules of South Dakota 74:12:02:06, and based upon Luff’s Petition and the supporting documents filed by Luff, the Secretary makes and enters the following order:
Luff represents owners of interests in the oil and gas leasehold estate in all or portions of the SE/4 of Section 9, the SW/4 of Section 10, the W/2 of Section 15, and the E/2 of Section 16, Township 22 North, Range 4 East, Harding County, South Dakota.

Pursuant to Order Nos. 2-78, 20-97, 2-10 and 6-13, all of these lands other than the W/2 of Section 15 are included within the Buffalo Field. Sections 9 and 16 constitute 640-acre spacing units for horizontal drilling pursuant to Order No. 20-97 and Order No. 12-84, respectively. Pursuant to Order No. 4-14, the NE/4 of Section 10, together with the NW/4 of Section 11, the E/2 of Section 3 and the W/2 of Section 2 constitute a 960-acre spacing unit. The W/2 of Section 15 is not currently included in any field established by order of the Board, but it is adjacent to the current outline of the Buffalo Field and evidence submitted by Luff indicates it is likely to be productive of hydrocarbons from the same Red River “B” pool currently included within the Buffalo Field.

Luff desires to drill a horizontal well in the Red River “B” Formation in a generally northwest/southeast orientation across the 960 acres included in the proposed spacing unit. The proposed spacing unit accommodates the wellbore planned by Luff and is also consistent with other spacing orders entered by the Board in the area.

Such a spacing unit is not smaller than the maximum area that can be efficiently and economically drained by the proposed well and the size, shape and location of the spacing unit will result in the efficient and economic development of the pool as a whole.

**IT IS THEREFORE ORDERED**

A. The outline of the Buffalo Field is extended to include the W/2 of Section 15, Township 22 North, Range 4 East, Harding County, South Dakota. A spacing unit consisting of the SE/4 of Section 9, the SW/4 of Section 10, the W/2 of Section 15, and the E/2 of Section 16,
Township 22 North, Range 4 East, is hereby established in the Buffalo Field.

B. A horizontal well with one or more laterals is allowed to be drilled on this spacing unit in the Red River “B” pool with any such laterals located not closer than 500 feet to the spacing unit boundary.

C. This order amends prior orders concerning the above described land, including without limitation Order Nos. 2, 12-84, 8-95 and 20-97.

D. That all portions of previous orders of the Board, if any, which are not amended by this order shall remain in full force and effect until further order of the Board or Secretary.

E. That upon filing all required further information and forms with the Department of Environment and Natural Resources; a drilling permit may be issued for the horizontal well on the spacing unit established above.

Dated and signed this 19th day of May 2014.

IN THE MATTER OF THE APPLICATION OF LUFF EXPLORATION COMPANY, DENVER, COLORADO, TO AMEND BOARD ORDER NOS. 2, 12-84, 8-95, 20-97, AND ANY OTHER APPLICABLE ORDERS FOR THE BUFFALO FIELD TO ESTABLISH A 960-ACRE SPACING UNIT FOR THE BUFFALO FIELD CONSISTING OF THE SE/4 OF SECTION 9, THE SW/4 OF SECTION 10, THE W/2 OF SECTION 15 AND THE E/2 OF SECTION 16, TOWNSHIP 22 NORTH, RANGE 4 EAST, HARDING COUNTY, SOUTH DAKOTA, AND AUTHORIZE THE DRILLING OF A HORIZONTAL WELL WITH ONE OR MORE LATERALS IN THE RED RIVER “B” ZONE AT ANY LOCATION NOT CLOSER THAN 500 FEET TO THE BOUNDARY OF SAID SPACING UNIT; TO AUTHORIZE THE ISSUANCE OF A PERMIT FOR SUCH HORIZONTAL WELL; AND FOR OTHER RELIEF AS THE BOARD DEEMS APPROPRIATE.

Notice is hereby given to Luff Exploration Company, Denver, Colorado, and to all interested persons that the Board of Minerals and Environment, hereinafter “board,” will hold a contested case hearing on the above described matter on Thursday, May 15, 2014, at 10:15 a.m. CDT at the Matthew Environmental Education and Training Center, Joe Foss Building, 523 East Capitol Avenue, Pierre, SD 57501, for the purpose of hearing the above matter if any party intervenes and requests a hearing as provided by law.

The board has jurisdiction and legal authority to issue orders for the development of the oil and gas resources of the state pursuant to South Dakota Codified Laws (SDCL) Chapters 45-9 and 1-26 and to Administrative Rules of South Dakota (ARSD) 74:09 and 74:12. The hearing is an adversary proceeding and any party has the right to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised at the hearing. The board may approve, conditionally approve, or deny the application. The board’s decision will be based upon the evidence received at the hearing. The board’s decision may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the amount in controversy exceeds two thousand five hundred dollars or if a property right may be terminated, any party to the contested case may require the agency to use the Office of Hearing Examiners by giving notice of the request to the agency no later than ten days after service of a notice of hearing issued pursuant to SDCL Chapter 1-26-17.
Any person who wishes to intervene in this proceeding as a party must file a petition to intervene pursuant to ARSD 74:09:01:04 on or before April 30, 2014. The above described matter will only be heard before the board if a person intervenes in this proceeding. If no petition to intervene is filed, the Secretary of the Department of Environment and Natural Resources will approve or conditionally approve the application in accordance with SDCL 45-9-74.

Notice is further given to individuals with disabilities that this hearing is being held in a physically accessible place. Please notify the Department of Environment and Natural Resources at least 48 hours before the public hearing if you have a disability for which special arrangements must be made at the hearing. The telephone number for making special arrangements is (605) 773-4201.

The application and notice of hearing are also posted on the department’s website at: http://denr.sd.gov/des/og/newpermit.aspx. IN THE MATTER OF THE PETITION OF
LUFF EXPLORATION COMPANY TO
AMEND BOARD ORDER NOS. 2, 12-84, 8-95,
20-97, AND ANY OTHER APPLICABLE
ORDERS FOR THE BUFFALO FIELD TO
ESTABLISH A 960-ACRE SPACING UNIT
FOR THE BUFFALO FIELD CONSISTING

SECTION 10, THE W/2 OF SECTION 15 AND
THE E/2 OF SECTION 16, TOWNSHIP 22

AUTHORIZE THE DRILLING OF A
HORIZONTAL WELL WITH ONE OR MORE
LATERALS IN THE RED RIVER “B” ZONE
AT ANY LOCATION NOT CLOSER THAN
500 FEET TO THE BOUNDARY OF SAID
SPACING UNIT; TO AUTHORIZE THE
ISSUANCE OF A PERMIT FOR SUCH
HORIZONTAL WELL; AND FOR OTHER
RELIEF AS THE BOARD DEEMS
APPROPRIATE.

COMES NOW the petitioner, Luff Exploration Company (“Luff”), and respectfully alleges as follows:

1. Luff represents the owners of interests in the oil and gas leasehold estate underlying all or portions of the SE/4 of Section 9, the SW/4 of Section 10, the W/2 of Section 15 and the E/2 of Section 16, Township 22 North, Range 4 East of the Black Hills Meridian, Harding County, South Dakota.

2. In Order No. 2, the Board established 160-acre spacing for the Buffalo Field. Numerous orders of the Board including Order Nos. 2-78, 20-97, 2-10 and 6-13 have extended the boundaries of the field and amended the spacing units established for the field. As a result of such orders, all of the captioned lands other than the W/2 of Section 15 are now included within
Pursuant to Order No.20-97, Section 9 constitutes a 640-acre spacing unit.

Order No. 20-97 also established Section 10 as a 640-acre spacing unit, but spacing for Section 10 was subsequently amended by Order No. 2-10, which established the E/2 of Section 10, the W/2 of Section 11, the SE/4 of Section 3, and the SW/4 of Section 2, Township 22 North, Range 4 East as a 960-acre spacing unit. Pursuant to Order No. 12-84, Section 16 is spaced at 320 acres for vertical drilling. Pursuant to Order No. 8-95, Section 16 constitutes a 640-acre spacing unit for horizontal drilling.

3. The W/2 of said Section 15 is not included within any field established by order of the Board.

4. No horizontal wells have been drilled in the lands described above. As a result of geologic information obtained through drilling and seismic activities in the area, Luff believes that a well should be drilled in a generally northwest/southeast orientation across the 960-acres proposed to be included in the spacing unit. In Luff’s opinion, such a well would produce oil and gas from the same Red River common source of supply currently producing in the Buffalo Field.

5. Luff respectfully requests that the Board amend its prior orders including Order Nos. 2, 12-84, 8-95 and 20-97, so as to vacate any existing spacing units, to include the W/2 of Section 15 in the Buffalo Field, and establish a 960-acre spacing unit for the Buffalo Field consisting of the lands described above and allow a horizontal well with one or more laterals to be drilled in the Red River “B” pool at any location thereon not closer than 500 feet to the boundary of such spacing unit.

6. In Luff’s opinion, extending the field boundary, vacating the existing spacing unit, forming the requested spacing unit and drilling the well described above will optimize primary recovery, prevent waste, avoid the drilling of unnecessary wells, and protect correlative rights.
7. The spacing unit requested to be created is not smaller than the maximum area that can be efficiently and economically drained by the proposed well and the size, shape and location thereof will result in the efficient and economic development of the pool as a whole.

8. The Board is authorized to grant the requested spacing unit by South Dakota Codified Laws 45-9-20 through 45-9-29 and Administrative Rules of South Dakota 74:12:02:06. Luff further requests that the order authorize the issuance of a permit for the drilling of horizontal wells in accordance with this application.

WHEREFORE, applicant respectfully requests that the Board issue its notice of opportunity for hearing and, if any interested party intervenes in accordance with said notice, set this matter for hearing at the regularly scheduled hearings in May 2014, or such other date as may be established by the Board, and that the Board enter its order granting the relief requested.

Dated this 25 day of March 2014.

APPLICATION OF Luff Exploration Company for
Spacing Hearing Buffalo Field

STATE OF COLORADO
COUNTY OF DENVER

I, Richard D. George, the applicant in the above matter after being duly sworn upon oath hereby certify the following information in regard to this application:

South Dakota Codified Laws Section 1-40-27 provides:

"The secretary may reject an application for any permit filed pursuant to Titles 34A or 45, including any application by any concentrated swine feeding operation for authorization to operate under a general permit, upon making a specific finding that:

(1) The applicant is unsuited or unqualified to perform the obligations of a permit holder based upon a finding that the applicant, any officer, director, partner, or resident general manager of the facility for which application has been made:

(a) Has intentionally misrepresented a material fact in applying for a permit;

(b) Has been convicted of a felony or other crime of moral turpitude;

(c) Has habitually and intentionally violated environmental laws of any state or the United States which have caused significant and material environmental damage;

(d) Has had any permit revoked under the environmental laws of any state or the United States;

(e) Has otherwise demonstrated through clear and convincing evidence of previous actions that the applicant lacks the necessary good character and competency to reliably carry out the obligations imposed by law upon the permit holder; or"
(2) The application substantially duplicates an application by the same applicant denied within the past five years which denial has not been reversed by a court of competent jurisdiction. Nothing in this subdivision may be construed to prohibit an applicant from submitting a new application for a permit previously denied, if the new application represents a good faith attempt by the applicant to correct the deficiencies that served as the basis for the denial in the original application.

All applications filed pursuant to Titles 34A and 45 shall include a certification, sworn to under oath and signed by the applicant, that he is not disqualified by reason of this section from obtaining a permit. In the absence of evidence to the contrary, that certification shall constitute a prima facie showing of the suitability and qualification of the applicant. If at any point in the application review recommendation, or hearing process, the secretary finds the applicant has intentionally made any material misrepresentation of fact in regard to this certification, consideration of the application may be suspended and the application may be rejected as provided for under this section.

Applications rejected pursuant to this section constitute final agency action upon that application and may be appealed to circuit court as provided for under chapter 1-26."

Pursuant to SDCL 1-40-27, I certify that I have read the forgoing provision of state law, and that I am not disqualified by reason of that provision from obtaining the permit for which application has been made.
